During your visit to this bustling marketplace you will have the opportunity to bargain with the artisans and indigenous traders. Grab the items you like, you will hardly see the same one again.

Continue to the Ollantaytambo archaeological complex, the Incas built it as a fort that included a temple, agricultural terraces, and an urban area. There are two distinct sectors: The religious and worship zone, and the residential area. Ollantaytambo was an important administrative center with probable military functions if one considers the walls and towers. There are also traces of ancient roads and aqueducts.
